A screenshot of the Snip application website. The top navigation bar is dark with the "Snip" logo on the left, and "Download", "Features", and "FAQ" links in the center. On the right of the navigation bar are language selection buttons for "中文" and "English". The main content area has a dark blue background with a starry space theme. On the left, there is a graphic of a snipping tool interface with a crosshair and a pair of scissors. To the right of this graphic, the text "Simple and Effective" is displayed in a large, white font. Below this text are two buttons: a black "Download" button with a white download icon, and a white button with a black border that says "Available on the Mac App Store" with the App Store logo. Further down, smaller text provides "Latest Version: 2.0" and "Requirements: Mac OS X 10.6.8 or higher". At the bottom of the main content area, there is a "follow Snip" link with a circular icon.
